Scott McKee, General Contractor  
Scott McKee Construction

Dear Scott:

It is with pleasure that I give you the balance of our contract agreement on the Johnson project in Pasadena. You are a trust worthy, moral, generous and kind man with which to work. I applaud you on your diligence on this project. It turned out just as we visualized and drew up.

The clients, Dave & Tammy are extremely happy with their new large home and they appreciate your patience with them as they tried to balance four children, mother and mother-in-law.

Thank you for working with me and cooperating with my client. I'm happy to give you all construction projects that are assigned to me.

Sincerely,

Kathleen Stowe
